4 Bedroom, 3.00 Bathroom, 2,918 sqft

Residential on 0.47 Acres

OAK LANDING, BRANDON, FL

The rare combination of meticulous care and thoughtful design by the original owners has created a home with private gardens that are a must-see for potential homebuyers. Modern updates throughout the 4 Bedrooms, 3 Baths, plus an Office/Den and large Bonus Room, include the design and finishes of the kitchen, baths, fireplace, and flooring. Some of the highlights include crown molding, high ceilings, tile in the main living areas, and bamboo flooring in the bedrooms and bonus room (no carpet). The high-end finishes continue outdoors with pavers around the heated pool, covered lanai, the driveway and sidewalk, a dry bar with a TV, built-in fridge and ice maker, and an AMAZING garden and pristine landscaping that surrounds the home. The floorplan has the right mix of open living areas with the large eat-in kitchen with a gas range and large breakfast bar that overlooks the family room with a wood-burning fireplace and custom built-ins, a separate office/den for work from home, and the bedrooms on a tri-split. There are two primary suites, each in their own wing and with their own private bath and walk-in closets. The larger one is for the homeowner while the smaller one can easily accommodate long-term guests. The two secondary bedrooms share the third full bath with a large bonus room that has sliding doors to the pool area. There are two more sets of sliders to the outdoors, one from the living area and the other from the family room. With cooler weather around the corner, youâ€™™ll

be able to open up to enjoy entertaining that Florida is known for. Oak Landing's winding streets offer character, privacy, and effortless access to public and private schools (K-12), as well as shopping and dining. Thank you for your interest and for taking the time to see this exceptional property in person
